Farmers Glad Hunting Season Is Over With the hunting season on the eve of its close and the little rain that came Wednesday, owners of woodland property feel relieved from worrying over the danger of forest fires. This danger has been particularly acute for the past three weeks on account of lack of rain. HIGH COST OF WHISKEY Reduces Sales-Fewer Cases in Town

The government's heavy war tax on distilled liquors has done some-thing in the town of Killingly that a on distilled liquors has done something in the town of Killingly that a no-license programme has often sought to do, but with varying success—knocked the sales of whiskey down from 50 to 75 per-cent, it is claimed by men who are keeping close tabs on the business. This is just what was predicted by many who have made, years of study of the liquor problem. Men who would and could get whiskey at a low price, continued to drink it, but now, even with plenty available, the high price is working like a charm in curtailing the amount consumed. That this is a fact can be ascertained by anyone sufficiently interested to inquire. The loss of business on distilled liquors is greater in some licensed places than in others, but it is heavy everywhere.

The working of the heavy tax in the interest of temperance is also beginning to be reflected in the town court records. These are periods now, of course, when persons get locked up for having been intoxicated, but the number of arrests for that cause is shrinking, and will continue to shrink, it is predicted.

Meriden—Meriden has been given an allotment of \$6,300 out of the state aid fund for the building of the Westfield road. Intense Itching and Burning Made Him Scratch. Skin Was Very Sore. He Would Lie Awake Fretting. Healed in One Month by Cuticura.

"When about one year old our boy's body began to be covered with a form of pimples which developed into a rash. It caused him a great deal of intense burning and itching which made him

scratch and his clothing seemed to aggravate the breaking out. The skin was very sore, and he would lie awake nights fretting. His body was bare of skin in some places.

"I then purchased Cuticura Soap and Ointment. There was a great gain from the first application, and in a month he was healed." (Signed) Arthur W. Baglin, 44 Fairview St., Hartford, Conn. A little care, a little patience, the use of Cuticura Soap and no other on the skin for every-day toilet purposes, with touches of Cuticura Ointment, now and then, to any pimples, rashes, redness, roughness or dandruff often means a

Excellent Laxative For Elderly People

As we pass the prime of life the various organs of the body have a tendency to weaken, especially the bowels. Regularity in this important function is so essential to good health that old folks should be very careful to avoid constipation. A congestion of stomach waste in the bowels occasions distances, headache, drowellness after cating, biliousness, belching, bloat, piles, etc., and should be corrected immediately; it is the direct cause of much serious disease.

The most effective remady for constipation is a combination of simple laxative herbs with pepsin sold in drug stores under the name of Dr. Caldwell's Syrup Popsia. It costs only fifty cents a bottle, is mild in its action, does not gripe or strain, and brings relief quickly in an easy, natural manner. Get a bottle of it from your druggist and keep it in the house; it is the ideal family romedy. A trial bottle can be obtained free of charge by writing to Dr. W. E. Caldwell, 456 Washington St., Monticello, Illineis.
